

ORLANDO MAGIC CONSTRUCTION PARTNERS TO HOLD FOURTH IN SERIES OF LOCAL AND MWBE INFORMATION FORUMS

August 18, 2008

Orlando, FL — Orlando Magic' construction partners for the new Orlando Events Center will hold the fourth in a series of informational subcontractor/supplier forums August 28, 2008, at 5:00 p.m. at the Jones High School cafeteria (801 S. Rio Grande Drive, Orlando, FL 32805).

The forums help educate local and minority and women business enterprises about construction opportunities for the new Orlando Events Center, while allowing participants to network and have a chance to learn about the subcontractor and supplier bid process.

This fourth forum will focus on the following scope areas: exterior aluminum curtain wall; exterior glass; exterior doors and hardware; exterior aluminum storefront; metal panels; siding and architectural louvers; and membrane roofing including associated copings and flashings.

The Orlando Magic's construction partner is Hunt Construction Group in association with Rey Group, R.L. Burns Inc., HZ Construction, Inc. and Albu & Associates.

The Orlando Magic is the developer of the new downtown Events Center which will compete to host major national events, concerts and family shows. Opening in the fall of 2010, the facility will be operated by the City of Orlando and owned by the Central Florida Community.

For more information on the forum call Joshua Kirven at 407-608-5280 (jkirven@hzflorida.com). For more information on the new Events Center log on to orlandoeventscenter.com.
