A Taste of Orlando Main Street: A Walking Tour

A Community Connections Workshop

Saturday, December 11, 2010 ~ 10am to 12 noon

Infusion Tea, 1600 Edgewater Drive, Orlando 32804

Commercial districts play an important role in the overall health of neighborhoods. This Community Connections Workshop will engage and connect neighborhood leaders with local shopkeepers in a neighborhood business district. Learn first-hand from business owners how to engage them to be a neighborhood partner. Listen to Main Street managers explain how work, play, and community thrive in harmony. Then, take a walking tour of downtown College Park, a community that fuses urban setting with a small town atmosphere, and sample what College Park has to offer and get "A Taste of Orlando Main Street." To register for this workshop, call Orange County Neighborhood Services at (407) 836-0035 or register online at:
