   Conditional Use Permit approved to retain an existing church within the buildings on the property and to make improvements to the site.

   **Recommended Action:** Approval of the request, subject to the conditions in the staff report.

   This item was presented by Jim Burnett, Planner III, Land Development Studio, City Planning Division. Using PowerPoint, Mr. Burnett presented the proposed project, staff’s conditions and recommendation and responded to Board questions. He noted that the previous CUP submitted for the subject site in 2008 had expired, which was the reason why the church was submitting a new CUP request.

   Chairperson Searl opened the hearing to the public.

   Ms. Donna King, 24 Wilson Ct., stated that she spoke on behalf of the W. Central residents. Ms. King was confused by the Public Notice and Staff Report which she thought only addressed one parcel for the CUP request. She was wondering what was going to happen to the other two parcels that had been included in the previous 2008 application. She also mentioned traffic concerns caused by a business located to the east of the subject site. She suggested that the application be denied and that the church should amend the 2008 application.

   Chairperson Searl explained to Ms. King that the 2008 application had already expired, which was the reason why the applicant was requesting a new CUP.

   Mr. Burnett also clarified that all three parcels were included in the present application and that it was nearly identical to the 2008 application, with the exception that it didn’t include the development to the east of the subject site that City Council had previously approved.

   Applicant Pastor Renel Vincent, 1046 W. Washington St., Orlando, FL 32805, spoke on behalf of the church. He noted that the 2008 request had expired under the previous pastor, who had since passed away. Pastor Vincent also noted that he would comply with all Code Enforcement and City of Orlando requirements, and would make it his personal responsibility to improve the landscaping.

   Chairperson Searl closed the public hearing.

   **Vice-Chairperson Anderson moved APPROVAL of the request, CUP2016-00001, subject to the conditions in the staff report. Board member Ray SECONDED the MOTION, which was VOTED upon and PASSED by unanimous voice vote.**

   Chairperson Searl stepped down as Chair due to his declared conflict on Item #2. Vice-Chairperson Anderson presided during the presentation and discussion of the following Item #2.

   **Applicant:** Tim Cloe – 864 E434 LLC

   **Owner:** Ferking Family, LLC

Project Planner: Katy Magruder (407-246-3355, kathleen.magruder@cityoforlando.net)

CUP2016-00002** Conditional Use Permit request for the development of a Dunkin’ Donuts with a drive-through component.

Recommended Action: Approval of the request, subject to the conditions in the staff report.

This item was presented by Katy Magruder, Planner I, Land Development Studio, City Planning Division. Using PowerPoint and the staff report, Ms. Magruder presented the proposed project, staff’s conditions and recommendation and responded to Board questions.

Vice-Chairperson Anderson opened the hearing to the public. (Chairperson Searl left the meeting at 9:35 a.m.).

Bob Ziegenfuss, 708 E. Colonial Dr., Suite 100, Orlando, FL 32803, representing the applicant (Tim Cloe) requested to reserve his time to respond to speakers’ questions.

The following speakers were in opposition of the request:

1) William Reek, 1705 E. Jersey St., Orlando, FL 32809
2) John Squires, Gray Robinson, P.A., 301 E. Pine St., Ste. 1400, Orlando, FL – representing Gourav Mukherjee
3) Regina and Arik March, 1725 E. Crystal Lake Ave., Orlando, FL 32806
4) Gourav Mukherjee, 1715 Jersey Ave., Orlando, FL 32806

Their main concern was that Dunkin’ Donuts’ customers would most likely cut through their neighborhood, potentially causing safety and traffic issues.

Mr. Ziegenfuss addressed the neighbors’ concerns and responded to Board questions.

Vice-Chairperson Anderson closed the public hearing and discussion ensued between the Board and City staff.

John Rhoades, Transportation Planning, City Planning Division, responded to Board questions in regards to possible solutions to avoid traffic going through Ives Ave. Mr. Rhoades stated that more studies were needed to ensure that any suggested solutions would not result in a negative impact to the transportation infrastructure. Mr. Ziegenfuss agreed to work with City staff and the neighbors to reach a compromise that would work for all parties.

Board member Buchanan moved DEFERRAL of the request, CUP2016-00002 to the April 19, 2016 MPB Hearing. Board member Barrott SECONDED the MOTION, which was VOTED upon and PASSED by unanimous voice vote (Searl was not present).
