**CUP2017-00009** Conditional Use Permit request to allow a bar to operate in an existing multi-tenant building, 850 ft. from an existing church.

*Recommended Action:* Approval of the request, subject to the conditions in the staff report.
This item was presented by Michaëlle Petion, Planner III, AICP, Land Development Studio, City Planning Division. Using the staff report, Ms. Petion presented the proposed project, and staffs’ conditions and recommendation. She noted that the only issue was the distance from the church. She stated that this was a multi-tenant building and that the applicant exceeded the amount of parking spaces required by City code.

Chairperson Anderson opened the hearing to the public.

The applicant was represented by Tyler Lower, Whippoorwill Beer House, 2423 E. South St., Orlando 32803. Mr. Lower noted that the establishment would only sell wine and bear. There would be no liquor sales and no live music. He clarified that they were not affiliated with the Southern Nights, located on a separate parcel to the northwest. Mr. Lower stated that they would be restriping the parking lot.

The following speaker appeared before the Board in opposition of the request:

1) Daniel Ruiz, 2421 E. Jackson St., Orlando 32803. His main concern was insufficient parking in the area.

Ms. Petion reiterated that the applicant did meet the parking requirements. Mr. Dean Grandin, City Planning Division Manager, noted that staff did not receive any objections from the church located within 850 ft. from the establishment.

Mr. Lower noted that during the majority of their hours of operation, all the other establishments within the building would be closed, which would increase parking availability for his patrons.

Chairperson Anderson closed the public hearing and opened it up for Board discussion and/or a motion.
