**Recommended Action:** Approval of the request, subject to the conditions in the staff report.

This item was presented by Michaëlle Petion, AICP, Planner III, Land Development Studio, City Planning Division. Using PowerPoint, Ms. Petion presented the proposed project, staffs’ conditions and recommendation, and responded to Board questions. Doug Metzger, AICP, Appearance Review Official for the Appearance Review Board (ARB) also responded to Board questions regarding the proposed architecture for the development, landscaping, and signage for the retail portion of the development. Mr. Metzger noted that staff would continue to negotiate the elevations with the applicant prior to ARB review.

Chairperson Anderson opened the hearing to the public.

The following speaker appeared before the Board for informational purposes:

1) Kimberly Sanchez, 3587 Dubsdread Cir. Orlando 32801 – spoke on behalf of CLSMF (Community Legal Services of Mid-Florida), a non-profit organization. She noted that their building was located adjacent to where the proposed 6 ft. wall will be located. Ms. Sanchez stated that she was not opposed to the project, but had some concerns in regards to possible increase of parking issues and noise. She suggested some landscaping and a higher wall to conceal any noise.

The applicant was represented by Engineer Thomas Skelton, 325 Hayes Rd., Winter Springs 32708; and Applicant Adam Mikkelson, 3030 Leahy Alley, Orlando 32814. They noted that there was not much space for landscaping but they would put as much landscape as possible.

Discussion ensued between the Board members and the applicants regarding parking layout, traffic circulation, minimum distance where drive-through exits to Colonial Dr., circulation of parking area and queuing.

John Rhoades, Project Manager II, Transportation Planning, also addressed the Board’s concerns and noted that DOT (Department of Transportation) will have input during the Permitting process for the drive-through.

After further discussion, Chairperson Anderson closed the public hearing and opened it up for Board discussion and/or a motion.
Board member Warlow moved APPROVAL of the request, MPL2017-10029, subject to the conditions in the staff report.

Vice-Chairperson Suarez expressed concerns regarding the circulation, the drive-through, the screening, and suggested more bike parking. He stated that he would like to see it all worked out before he could support the project. Board member Warlow noted that the case had to go to ARB first.

Board member Rose SECONDED the MOTION, which was VOTED upon and PASSED by a 5 – 2 vote (Suarez and Anderson voted Nay; Huels and Burns abstained).

10. RECOMMENDED APPROVAL, 3308 OBERLIN REVERT TO PLAT

**SUB2017-10053**

Request to Revert to Plat to replace an existing single-family home on two (2) existing 50-ft. wide interior lots with two (2) new homes, each on a 50-ft. wide X 140-ft. deep lot in the R-1/T/W zoning district.

**Recommended Action:** Denial of the request.

This item was presented by Jim Burnett, AICP, Land Development Studio, City Planning Division. Using PowerPoint, Mr. Burnett presented the proposed project, staffs’ conditions and recommendation, and noted that City staff had back-up conditions in the event the Board chose to recommend approval of the applicant’s request.

Chairperson Anderson opened the hearing to the public.

Applicant David Jacobs, 598 Northlake Blvd. Ste. 1000, Altamonte Springs, representing David Weekley Homes, addressed the Board. Mr. Jacobs noted that he wanted a traditional design that would work with the neighborhood and wouldn’t look out of place. For this reason he decided to go with a smaller FAR (floor to area ratio) of .39 instead of the maximum .45 allowed.

There were no other speakers for this case.

Board members Rose, Baker, Anderson and Huels expressed their support, including the clarified staff conditions in the addendum.

Mr. Jacobs noted that he was in agreement with staff’s conditions.

After further discussion regarding transparency, Chairperson Anderson closed the public hearing and opened it up for Board discussion and/or a motion.

Board member Warlow moved APPROVAL of the request, SUB2017-10053, subject to the back-up conditions in the staff report and addendum. Board member Baker SECONDED the MOTION, which was VOTED upon and PASSED by unanimous voice vote.
