Flagged Items Report

03/21/2006 - 02:54 PM

Record checking is included as a convenience item. It is not a substitute for personally checking data. The person signing the report is solely responsible for its accuracy. Because an item appears on this report does not necessarily mean that it is incorrect. It indicates that it is an exception to what is normally expected and must be reviewed and verified as correct before creating the final report.

To locate flagged items that have a "TransID" shown, go to the data entry form (for example, Contributions), then click on the menu item "Search". Enter the ID number, and select the appropriate field (for example, ContribID), to find the record. A "TransID" for a record that has no date refers to a Demographic record, and not a transaction record. Search "Demographic.DemogID" for those records.

TransID	***** CONTRIBUTIONS
18	3/7/2006 - Contrib. greater than \$500 and not INT or REF or DUE or from Candidate or a Party (Amt. = 1,500.00)
