Calls for service are the result of a person contacting the police department and an officer would respond, but not necessarily complete a report due to the nature of the incident. Reported calls are those that the officer documented the incident as a criminal or possibly criminal acts. This report is not all-inclusive and does not represent all types of calls.

Due to public records laws; specific information may not be released. However, if there are any questions or concerns, and I am able to assist, please contact me at [james.young@cityoforlando.net](mailto:james.young@cityoforlando.net).
