Chairman Anderson called the meeting to order and provided an update on the objectives for Task Team #3. The minutes from the February 6<sup>th</sup> meeting were reviewed and approved.

Dr. Dan Buckman from OCPS gave an historical overview of how attendance zone boundaries were determined and the impact rezonings had on the community/schools. A map depicting the attendance zone boundaries in Parramore and a list showing student assignment verses school attendance were provided as handouts. Since 1977, OCPS has only modified attendance zone boundaries when a new school has opened. Dr. Buckman defined unitary status and explained that in order for OCPS to achieve such status, they would first have to comply with several "green" factors. Discussion followed.

Lisa Early led the Task Team in prioritizing the goals identified at the previous meeting. A list of the goals in priority order is attached. The Task Team goals will be shared with the Social Services and Education Subcommittee at their meeting on Wednesday, February 25<sup>th</sup>.

Chairman Anderson thanked everyone for their attendance and participation in the meeting. The next meeting will be held Thursday, March 11 at 1:30 pm at Orlando Vo-Tech, 301 West Amelia Street. The focus of the meeting will be on adult education.
