**You are invited to join the City of Orlando and Orlando Magic for a construction update.**

Recently Mayor Buddy Dyer, Orange County Mayor Rich T. Crotty, Chief Operating Officer for the Orlando Magic Alex Martins and the community, celebrated the groundbreaking for the new Events Center.

In an effort to keep residents and businesses updated on the construction progress and what is planned for the next few months related to the new Events Center, the City and the Magic are hosting a community information session. In addition, you will also have an opportunity to hear an update on the BLUEPRINT outreach efforts.

As we continue to move forward, there will be many more key activities and milestones during the design and construction process. To keep you informed throughout this historic undertaking, the City will provide ongoing communication with the neighborhoods during the design and construction process.
