Report No. 06-02

The Office of Audit and Evaluation has performed a follow-up of our Audit of Homeland Security Practices, Policies and Fiscal Matters (*Report No. 05-05*), issued November 30, 2004.

Our procedures consisted of a review and discussion of the status of the recommendations as provided by the Homeland Security Advisory Group. Our follow-up was made in accordance with generally accepted government auditing standards, except that we did not perform substantial tests of evidence supporting responses from the officials responsible for resolving audit findings and recommendations.

The distribution of this audit follow-up report is restricted, unless specific permission is obtained from the City of Orlando's Office of Legal Affairs. This is because much of the information contained in this report is confidential and exempt from disclosure, pursuant to the provisions of sections 119.07(3)(d) and (3)(e), and section 119.071, Florida Statutes.
