

Parramore Kidz Zone Mentor Job Description

Wanted:

- Caring, committed individual who would like to change the life of a student through one-on-one mentoring sessions or through group mentoring.

Job Description

- Spend 30-45 minutes, once a week, on a school campus, during school time hours or at a City Rec Center in the afternoon or evenings, forming a meaningful relationship with a student from Parramore.
- Meet with the same student (same day/same time) consistently each week to share a love of learning and aid the student through exploring the worlds of reading, writing, math, etc. (May share one student between 2 mentors if necessary)
- Take time to focus on the child's personal and individual development by mentoring them in areas such as goal setting, academic success, and positive values and behaviors.
- Have FUN - while helping a deserving student develop the necessary reading and life skills to be successful this year and every year!

Qualified Individuals:

- Are dependable. Can give about an hour a week. Have a good rapport with children. Can be a positive role model. Have a vested interest in education and giving back to your community. Enjoy learning and want to pass it on!
