Re: Thank you / Commissioner Vargo and Orlando City Staff

Dear Commissioner Vargo and the Orlando Parks and Recreation Department,

I wanted to take the time to express my appreciation for your maintenance of the Rosemont preserve and other city parks. I especially am thankful for the Rosemont property because I run around, bike, kayak and enjoy the park each and every day!

I have noticed a reduction in trash and debris since the trashcans were placed in the park, as I pick up trash almost daily and have since I moved to Rosemont in 1993. Recently, the trees were trimmed and the entire area shows city pride in maintaining the area's natural beauty.

So often people are complaining about what the city does not do. I want to let you know that your efforts are appreciated and enjoyed by many residents in the area.

Thank you,

Dominick C. Castellano
