

PARRAMORE KIDZ ZONE MENTORZ PROGRAM

Orlando Mayor Buddy Dyer and District 5 Commissioner Daisy W. Lynum invite you to make a difference in the life of a Parramore youth by volunteering to become a mentor. By offering support, advice, reinforcement and constructive examples, mentors help children grow into successful adults. Be part of the solution.

To become a mentor, log onto www.cityoforlando.net/pkz or contact Traci Blue at 407.246.2082 or mentoring@cityteenz.org.

IF YOU ARE:

- dependable
- a positive role model
- able to volunteer for an hour a week
- interested in giving back to your community
- passionate about making a difference and want to pass it on

THEN YOU CAN HELP A CHILD SUCCEED.

JOB DESCRIPTION

- Meet with Parramore Kidz Zone's mentor coordinator to talk about your interests and needs and be matched with a child who's just right for you.
- Spend 30-40 minutes, once a week, with a child between the ages of 5 and 18 years of age, at a nearby school or City Recreation center.
- Help youth set goals, and encourage them to achieve academic and personal success.
- Receive tips and advice from the mentor coordinator, whenever you need them, to enhance your mentoring experience.
- Have fun while helping a promising child achieve their full potential and develop the academic and life skills needed to be successful this year and every year.
- Be part of our community's solution. Research shows that mentoring improves school performance and reduces the risk for juvenile crime and other negative behaviors.
