CITY OF ORLANDO
FAMILIES, PARKS & RECREATION

PKZ Parramore • Kidz • Zone Summer Program Directory

Parramore Kidz Zone is an initiative of Orlando Mayor Buddy Dyer, who has engaged children's organizations, non-profits, schools and others to work together to make Parramore the kind of neighborhood where children grow up strong, healthy and well educated. About 2,000 children from birth to age 18 live in Parramore. To help Parramore's children succeed, the Mayor is mobilizing public and private contributions to give Parramore's children access to positive opportunities. Parramore's children have great potential, but to achieve it they need community support. That's what PKZ is all about.
