Services Department

Ladies and Gentlemen:

After five years of being regular users of this program my two daughters are saying good bye to Colonialtown. It has been five wonderful years were my kids were well taking care of by all your personnel at this center.

My older daughter, Tanya SanInocencio, is now a sixth grader at Glenridge Middle School; and her sister Jasmine is attending Audubon Park Elementary. For this reason they won't be attending your excellent program at Colonialtown this year.

Thru all this years the Colonialtown's staff has always been so caring of my daughters and their well being. Everybody was always so responsible and treat everybody (from parents to students) with a lot of respect, courtesy, and tact. Nobody ever hesitated to lend us a helping hand no matter what situation may had arisen on any given day.

We just want to express our deepest appreciation to everybody, but especially to:

- Ms. Cheryl D. Cummings
- Ms. Davis
- Ms. Cherrita
- Ms. Jennifer
- Ms. Linda (former Director)
- Ms. Ann (former staff member)
- Ms. Gladys (former staff member)
- Mr. Oliveros (former staff member)

Keep on the good job and hope more families in need could enjoy great community programs like this one.

Cordially,

Gloria L. Morales
