

Additional City Park Rules

- A. Use of glass containers is prohibited
- B. Use of powered “hover boards” is prohibited
- C. Affixing anything to a tree or pole is prohibited, this includes hammocks, strap lines, banners, signs, balloons, ribbons, etc. without written permission from the parks division manager or the manager’s designee
- D. Driving of vehicles in a city park is prohibited without written permission of parks division manager or the manager’s designee and escorted by park staff.
- E. The selling of anything is prohibited without an approved 18A permit and approval of the parks division manager or the manager’s designee
- F. Boating, canoeing, kayaking, paddle boarding or use of other floatation devices is prohibited except in designated lakes with written permission from the Recreation Division Manager or the manager’s designee for special event purposes.
- G. Reserving an entire bench with bags, suitcases, hand held bags, or other items so as to reflect or suggest that other individuals may not sit is prohibited – bags must be kept below the bench or to the side of the bench and never left unattended anywhere in a city park
- H. Pets are not allowed on any city bench drinking fountain or picnic table for health reasons, except in designated off-leash dog park areas that are fenced.
- I. Swimming in a city lake is prohibited, except as authorized by posting.
- J. Fishing is not allowed in Lake Eola, Spring Lake or other City lakes where “no fishing” signs are posted.
- K. Pets are not allowed in city lakes unless posted as an authorized lake for swimming.
- L. No wildlife or their eggs or nests are to be picked up, transported or handled other than by park staff or authorized park volunteers
- M. Use of metal detectors is prohibited within any city park without written authorization from the parks division manager or the manager’s designee
- N. Use of rockets, radio controlled aircraft, cars, boats or similar devices is strictly prohibited without prior written authorization of the parks division manager or the manager’s designee

- O. No person may sleep more than one hour in a 24 hour period in a city park
- P. Obstruction of monuments/tourist attractions/designated rental areas is prohibited without prior written authorization of the parks division manager or the manager's designee
- Q. Tents or structures are prohibited without prior written authorization by the parks division manager or the manager's designee
- R. Bike riding is prohibited in city parks except where authorized or posted as a bike trail.
