There is no deadline for "renewing" your contractor registration. You may update your registration at your convenience; however, all required items must be current to conduct business in the City of Orlando (Ex. apply for or obtain permits, inspections and certificates of occupancy).

Power of Attorney

If you wish to authorize others to obtain permits under your name, please submit a Special Power of Attorney form. Power of Attorney forms do not expire. If you have changes to your Special Power of Attorney, please submit a new form. Special Power of Attorney forms are available at our office and on our web site.
