## AGENDA ■ DECEMBER 28, 2004

### WELCOME!

We are very glad you have joined us for today's meeting. The Board of Zoning Adjustment (BZA) is an advisory board to City Council composed of citizen members who voluntarily and without compensation devote their time and talents to a variety of zoning and land development issues in the community. All BZA recommendations are subject to final action by City Council. The minutes of today's meeting will be presented at the City Council meeting on **Monday January 24, 2005**, for approval of recommended actions. Any person desiring to appeal a recommended action of the Board should observe the notice regarding appeals below. **CAUTION:** Untimely filing by any appellant shall result in an automatic denial of the appeal.

### GENERAL RULES OF ORDER

The Board is please to hear all non-repetitive comments. However, since a general time limit of (5) minutes is allotted to the proponents/opponents of an issue, large groups are asked to name a spokesperson. If you wish to appear before the Board, please fill out an Appearance Request/Lobbyist Registration form and give it to the Recording Secretary. When you are recognized by the Chairman, state your name and address and speak directly into the microphone. ROBERTS RULES OF ORDER govern the conduct of the meeting. Persons with disabilities needing assistance to participate in any of these proceedings should contact the BZA Recording Secretary at (407) 246-3365 at least 24 hours in advance of the meeting.

### APPEALS

Variances are quasi-judicial matters (implementing actions) and hearings are to be conducted subject to the Florida Supreme Court ruling in Board of County Commissioners of Brevard County v. Snyder. The Board's decision must be supported by "competent substantial evidence." Persons dissatisfied with a board recommendation in such matters may be entitled to a de novo (new) hearing before an independent hearing Officer in accordance with the provisions of Chapter 2, Article XXXII, of the City Code. A request for a new hearing (appeal) must be filed with the Board of Zoning Adjustment Recording Secretary by **5:00 p.m., January 5, 2005**. There is a **\$250** fee for this appeal. The BZA Recording Secretary is located in the City Planning Division on the sixth floor of City Hall.

Any person who desires to appeal any decision at this meeting will need a record of the proceedings and for this purpose may need to ensure that a verbatim record of the proceedings is made that includes the testimony and evidence upon which the appeal is made.

**Thank you** for participating in your government and making Orlando truly "The City Beautiful."
