

Florida Coastal Cleanup

Saturday, September 19, 2009
9-11 am

The change starts with you! Orlando lakes eventually drain into the Atlantic Ocean or Florida Bay. This regional effort is part of the 23rd Annual International Coastal Cleanup coordinated by The Ocean Conservancy and supported locally by City of Orlando and Keep Orlando Beautiful. We need volunteers to clean the shorelines of five City of Orlando lakes. Volunteers will receive a T-shirt. Breakfast and supplies will be provided. Dress for a mess!

City of Orlando (Orange CO) Cleanup Sites:

- **Lake Ivanhoe:** 1236 N. Orange Ave., Gaston Edwards Park, off Ivanhoe Blvd.
- **Lake Underhill:** 4355 Lake Underhill Rd., west of Conway Rd.
- **Park Lake:** 724 Highland Ave., north of Colonial Dr., meet at the pier on the west side of the lake
- **Lake Adair:** 935 Lake Adair Blvd.
- **LaCosta Urban Wetlands:** 5814 LaCosta Dr.
