

HOLIDAY SOLID WASTE PICK UP SCHEDULE

Residential garbage, recycling and yard waste is picked up on all holidays, except:

- Thanksgiving Day
- Christmas Day

On the occasion that your pick up day falls on one or both of these holidays, your residential service will be picked up on your next scheduled pick up day.

Please note that it is important for residents to have their garbage out before 6:00 a.m. to ensure pick up.

CHRISTMAS TREE DISPOSAL

For proper disposal of your natural Christmas tree, please remove all decorations and tinsel from the tree and place it curbside on your regular yard waste day. If your tree is more than six feet tall, please cut it in half before placing it curbside. All trees will be recycled.

Please note that this does not include artificial trees; they are considered a bulky item and cannot be recycled in the same process as a natural tree. The best way to have a bulky item picked up is to put it by the curb no later than 6:00 a.m. on your yard waste pick up day. If you are unsure of your yard waste day, visit cityoforlando.net/public_works/solidwaste/swmres.htm and utilize the color coded map.
