

# GREEN WORKS ORLANDO COMMERCIAL FOOD WASTE PROGRAM

Orlando Mayor Buddy Dyer invites you to be a part of our exciting new commercial food waste initiative. This opportunity gives your business the option to turn food waste into compost or energy instead of sending it to the landfill. Save money, green your operations and put your waste to work.

## OPPORTUNITY

- Save money by potentially reducing garbage collection up to 10 percent
- Reduce your contribution to the landfill
- Reduce odor from your compactor or dumpster
- Join some of the greenest and most cutting-edge businesses in Orlando
- Be recognized as an Orlando Green Works partner

## 2015 INTRODUCTORY PRICING

# \$14.25

PER MONTH

*(per cart, per collection day,  
up to 3 times a week)*

## FIRST 3 MONTHS FREE!

- Test our service and determine best level of service
- Save money through reducing dumpster size or frequency of standard dumpster pick up
- Collection on Mondays, Wednesdays and Fridays

## SERVICES PROVIDED

- 65-gallon carts:
  - 2 – 4 carts for restaurants
  - 10 – 15 carts for hotels with catering
- Initial box of sample bags are free (compostable bags required)
- Sent to composting facility to make soil additive
- Pre and post-consumer food pickup, excludes plastic, glass, metal and non-biodegradables
- Employee training available
- Billed on your OUC bill, no extra administrative effort
- No contracts
